Expertise at a glance

My focus is on strategy implementation, turning knowledge into action through powerful communication. I balance commercial imperatives with clients' individual needs. Challenging and thought-provoking, I bring clear process and structure to my coaching to unravel even the most complex situations and quickly get to the heart of the matter. I take pride in supporting my clients to lead their teams across the globe with clarity of vision, effective communication, and appropriate motivation. After twenty moves in five different countries I see myself as a global citizen who can work across and beyond cultures. As an award-winning international speaker, I have a unique way to reach the heart of my audiences and my clients alike. Described as generous, creative, unconventional, I am a maverick coach who draws from my multifaceted life experience and from extended and rigorous training to create memorable and powerful learning experiences. Highly trained in content-free coaching and facilitation, I am often appreciated for my creative use of metaphors which often trigger unforgettable insights.

My Resource Values are Drive, Focus, Vision

Professionally I put my heart into understanding the far-reaching impact of any decision

I have seen that every communication matters

Three words that my clients often use to describe me are powerful, precise and courageous
